Be stirred, not shaken in the Bösendorfer Lounge, voted the "Best Place to Sip Martinis" by the Orlando Business Journal and voted "Best Hotel Bar" by Orlando Magazine. Designed to be edgy and intriguing, the Bösendorfer Lounge, the namesake of the Imperial Grand Bösendorfer piano (one of only two in the world) features a round bar decorated in black marble, red stones and mirror pieces and mounted with table lamps for soft sensual lighting. Worth the visit alone are the original works of art including the impressive "Daniel in the Lion's Den" and the "Presentation of Salome" by Florida artist William Russell Walker and "Enraptured" by Mexico City artist Susan Contreras. Enjoy a nightly line-up of of Central Florida's finest musicians.
